### Specifications Sheet

AER6011VAS

No matter what your method—artistic and experimental or quick and easy—Amana® cooking appliances are your ideal sidekick. You'll find features and options that suit you and look great.

**Amana®**

## CONVECTION COOKING

Bakes in less time than a standard oven, thanks to a fan that evenly circulates the heated air.

## HIDDEN BAKE ELEMENT

It's under the surface of the oven floor, making the oven floor easier to clean. Now, if only we could make it more fun.

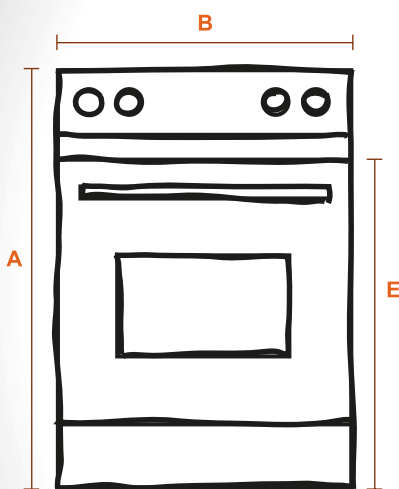

## DUAL RADIANT ELEMENT

Match the element size to the size of your pot or pan to help food cook evenly.
